

2015-2016 Key Stage 2 school performance data

The table below shows the percentage of pupils who reached the standard expected for their age at the end of KS2 and the percentage of those who reached the 'higher standard' last year where 100 is National average and 110 is the 'higher standard'.

	% achieving expected standard	% achieving a higher standard
Reading, writing and mathematics	31%	3%
Mathematics	54%	8%
Reading	37%	7%
Writing	75%	28%

Pupils average test scores	
Mathematics test	101.9
Reading test	98.7

The final table below shows the average progress made by children in Year 6 last year from KS1 to KS2 where zero is National average.

Average progress that pupils have made	
Mathematics	-0.03
Reading	-2.14
Writing	5.49

You can find out more information about these KS2 performance measures, including the higher standard, in the 'Primary School Accountability' guidance found on the DfE website.
